Chapter 1 Summary: 1

In the first chapter of "Give Me More" by Sara Cate, we are introduced to Drake, a carefree and unapologetic playboy who thrives in casual sexual encounters and eschews commitment. He revels in his hedonistic lifestyle and takes a job at his best friend's new sex club, Salacious, believing it to be the perfect environment for his desires. While enjoying a steamy encounter with two women, he finds himself reflecting on his longstanding role as the third wheel in his best friend Hunter's decade-long relationship with Isabel. Drake is acutely aware of his isolation as the duo celebrates their anniversary without him, relying on fleeting pleasures to stave off feelings of loneliness.

Meanwhile, we also get a glimpse of Hunter and Isabel during their anniversary dinner, where they express their love for one another. Hunter's past as a reformed criminal contrasts sharply with Isabel's wholesome background. Their relationship dynamic is tender, marked by real affection, but there's an undercurrent of tension as Isabel worries about Drake's escapades. It's evident that both Hunter and Isabel care for him deeply, and while Hunter's unwavering trust in Drake highlights their bond, Isabel's feelings of insecurity begin to surface as they navigate their unusual lifestyle.

The chapter culminates with a visit to Fire Palace, another sex club, where the trio experiences a public demonstration of Shibari, a form of Japanese

His frustration peaks when he learns he has to vacate his apartment due to renovations, leading to a tense and emotional conversation at a roadside stop. Isabel, ever supportive, tries to cheer him up with a quirky alien plushie, but when she learns about his eviction, her reaction reveals a deeper concern for him. Instead of letting Drake cut his trip short, she suggests he stay with them, a proposition that stirs complicated feelings for both Drake and Isabel.

As the trio continues their journey, the dynamics shift, revealing a new layer of tension between Drake and Isabel after a night that seems to have changed everything. Drake grapples with conflicting emotions, torn between his loyalty to Hunter and an undeniable attraction to Isabel, who he loves like a sister but can't help seeing differently after their lingering moments of intimacy.

After a messy fallout, a trip to a nightclub culminates in an eventful night where the lines blur even more, leading to unexpected moments—particularly when Isabel and Drake nearly cross a line, sending tensions spiraling.

In the turmoil that follows, Drake's protective instinct kicks in, leading to a confrontation with a stranger at the club who tries to interact inappropriately with Isabel. The brawl that ensues serves as a catalyst for both men to confront their feelings, as they realize the extent of their emotional investment in Isabel.
